#### **WELCOME**

Marni naa pudni\*

Welcome to the WIPCE 2022 Panpapanpalya (conference) addressing the theme of *Indigenous Education Sovereignty:*Our Voices ...Our Futures.

WIPCE 2022 will be held at the Adelaide Convention Centre on the banks of the River Torrens, Tarndanya (place of the red kangaroo), situated on the lands of the Kaurna Nation of South Australia.

This hybrid meeting of WIPCE brings together Indigenous representatives from across the globe to share strategies and developments for Indigenous education and attracts experts, practitioners, scholars, students and communities.

WIPCE 2022 provides a unique opportunity to showcase the capabilities of your organisation, company or network to an international community representing First Nations across the globe. The following sponsorship and exhibitor packages afford a unique opportunity demonstrate your organisation's commitment to culture, Indigenous education and First Nation peoples. I also encourage sponsorship of Indigenous people with limited means, including youth and Elders, to attend this event.

On behalf of the South Australian Aboriginal Education and Training Consultative Council and Tauondi Aboriginal Corporation (Tauondi Aboriginal College), join us to celebrate and share our culture and knowledges at this exciting international event with other Indigenous global citizens – hosted by descendants of the oldest living culture of humanity.

Professor Peter Buckskin PSM FACE, Chair, WIPCE 2022

#### **ABOUT THE CONFERENCE**

#### **ABOUT WIPCE**

An estimated 370 million Indigenous peoples live in all continents of the earth and represent a significant part of the world's vast cultural and linguistic diversity and heritage.

Indigenous peoples possess unique knowledge systems, which are recognised as crucial for sustainable development. At the same time, social, economic and political marginalisation of Indigenous peoples is pervasive in all the regions across the world.

Indigenous peoples face fundamental challenges when attempting to reconcile their own forms of culturally transmitted learning with systems of formal education.

Over the past 30 years, WIPCE has endeavoured to address this issue and has

grown to become a major international event in the Indigenous education movement.

The WIPCE conference draws Indigenous representatives from across the globe to share successes and strategies for culturally grounded education.

Delegates will interact with the speakers, the exhibitors, the content, and each other whether they are in person or online to enhance the Conference experience.

WIPCE attracts Indigenous education experts, practitioners, scholars, students and communities, with up to 3,000 delegates expected in 2022 – the largest and most diverse Indigenous education forum on earth. The needs of young Indigenous educators and leaders will be a key feature of WIPCE 2022 youth forums.

Information and registration details can be found at www.wipce2022.net
